ABOUT THE FESTIVAL

The London Queer Fringe Festival is a vibrant celebration of LGBTQ+ voices and humor, showcasing a diverse array of talent from both emerging and established comedians. Set against the backdrop of one of the world's most dynamic cities, the festival offers a platform for performers to explore and share their unique experiences, challenging stereotypes and pushing boundaries through laughter. With a lineup featuring everything from stand-up and sketch comedy to improv and drama, the festival fosters an inclusive atmosphere that invites audiences to embrace the power of performance in promoting understanding and connection within the queer community and beyond.

PROGRAMMING

We are looking for a wide range of performance, if you have a show that you would like to bring to the festival then please get in touch. **You do not need to be LGBTQ+** - you simply need to believe that your show would appeal to an LGBTQ+ audience, If in doubt about this please do get in touch with us.

Your show can be a ‘finished’ show or a work in progress but if it is a WIP it should be identified as such. The festival is ideal for Edinburgh Fringe **previews.**
